SUBJECT: Sidewalk and Asphalt Installation – Thorpe Drive and NW Cary Parkway
Town of Cary Project ST1147

Dear Ms. Legere:

As part of the Town of Cary's commitment to provide pedestrian facilities for residents of the Silverton neighborhood, we are proceeding forward with sidewalk and asphalt trail installation along the east side of Thorpe Drive from NW Cary Parkway to Silvercliff Trail and the south side of NW Cary Parkway from Silverridge Court to Thorpe Drive. When the project is complete, residents of Silverton will be able to cross NW Cary Parkway at Silverridge Court to an existing sidewalk on the north side. Construction is scheduled to be completed this Fall.

Under our Town ordinances, the construction activities may occur Monday through Friday from 7:00 a.m. to 6:00 p.m. and Saturday, 8:00 a.m. to 6:00 p.m. with every effort made to minimize impact to the traveling public. Our intentions are to have this work completed with minimum inconvenience to the residents of Silverton. We will also send out any necessary updates during construction.

If you have any questions regarding the upcoming construction, please feel free to contact me at (919) 469-4333 or by email at tom.ellis@townofcary.org.

Sincerely,

Tom Ellis, P. E.
Senior Engineer
